

# 'TABLE TALK' RAW MATERIALS EXHIBITION AMSTERDAM 23 FEBRUARY 2012

## The event will be held in the Barbizon Palace Hotel, Amsterdam.

Following the successful Table Talk Exhibition last February the British Society of Flavourists is pleased to announce that the next Table Talk Exhibition will be held at the same venue, St Olof's Chapel in the Barbizon Palace Hotel, Amsterdam. The Hotel is easily accessible located directly across the road from the Central Railway Station which is a short train ride from Schiphol Airport the major air hub in Europe.

Exhibitors demonstrating products this year are:

Advanced Biotech Europe | S & D Aroma / Azelis | Axxence Aromatics | F.D. Copeland | David Michael Europe  
Firmenich | Destilla Flavours & Extracts | Döhler | DSM Food Specialities | Elixarome  
Frutarom F&F Ingredients | Lionel Hitchen Essential Oils | Naturex | Omega Ingredients | Prova  
Riverside Aromatics | Simone Gatto | Symrise | Synthite | R.C. Treatt | V. Mane Fils

The event represents a great opportunity for flavourists and other delegates to evaluate a large number of raw materials over the course of one day that could be useful in the formulation of new flavours and open the doors to the next generation of flavour creations.
